## Miss Warden Class Assembly

Year 3 produced a brilliant assembly based on our school values. They spoke about why friendship is so important and how we can be a good friend to others. They sang two songs about friendship and demonstrated their acting skills in a short role play. Well done year 3!

## Mr Thurgood Class Assembly

A superb class assembly from Mr Thurgood's class telling us all about the Stone Age and what they have been learning in science about solids, liquids and gasses.

## Mr Hatley Class Assembly

A very informative class assembly from Mr Hatley's class full of facts about prehistoric Britain. An amazing documentary production performed with expression and confidence, well done!

## Community Information

The Woodland Trust have set up a campaign where people can make a pledge to help with our climate crisis. This was spotted by a parent of ours and we are sharing the link for anyone who wishes to sign up
